

## **REMARKS**

Claims 112-119 are pending in this application and stand rejected in the final Office Action dated March 15, 2004. Applicants appreciate the Examiner's consideration of the arguments presented in the Amendment filed December 16, 2003, and the resultant withdrawal of the rejection under 35 U.S.C. § 103(a).

### **Double Patenting**

The Examiner rejects claims 112-119 under the judicially created doctrine of obviousness-type double patenting over claims 1-5, 26-31, and 34-36 of co-pending Application Serial No. 09/496,383. As noted by the Examiner (see Office Action, §§ 4 and 5), Applicants submitted a proper Terminal Disclaimer by facsimile on March 5, 2004 (see copy presented as Appendix A). Therefore, Applicants await the official approval of the Terminal Disclaimer, the withdrawal of this rejection, and the allowance of the pending claims.

### **Conclusion**

In view of the foregoing amendments and remarks, Applicants respectfully request the reconsideration and the continued examination of this application and the timely allowance of the pending claims. In the event that the Amendments presented herein or the submitted Terminal Disclaimer do not result in the allowance of the pending claims, Applicants request that the Examiner kindly contact either the undersigned at 404-653-6460 or Robert Stanley at 404-653-6441 to discuss the further prosecution of this application.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
